### HOW CAN I ENTER THE GIFTED PROGRAM AT LISGAR?

Find your home school by going to the OCDSB website: [www.ocdsb.ca](http://www.ocdsb.ca) and click on the "Our Programs" menu to find "School Locator". (Note that if you use the "School Locator" icon, the high school name shown is your "HOME high school"). You may also contact the OCDSB's Boundaries Office at 613-596-8780 and state your name, telephone number, address, grade and program information, and they will call you back with the answer.

If your home school is Nepean High School, Glebe Collegiate, Rideau High School, Ridgemont High School or Lisgar Collegiate, you are within Lisgar's gifted boundaries.

- a) If you are currently registered in an OCDSB school and have been IPRC'd as "Gifted" in the OCDSB school board, fill out the "Lisgar Collegiate Institute Student Registration Form" available at your elementary school. You do not need to complete a transfer application.
- b) For students **NOT** currently registered in an OCDSB school, you must submit an application package for Lisgar's Gifted Program. This package is available on Lisgar's website, [www.lisgar.ca](http://www.lisgar.ca). Look for "Gifted Program Documentation Requirements 2010-2011".

For all other students identified as gifted and do not have one of the above schools shown as their home school:

- Whether currently registered in an OCDSB school or any other school, you must submit a completed transfer application to Lisgar. The transfer process details will be outlined on Lisgar's website at [www.lisgar.ca](http://www.lisgar.ca). If you receive a transfer spot, then Lisgar will give you a "Lisgar Collegiate Institute Registration Form" and you will be asked to fill it out and return it to the main office within a prescribed time.
- If you have not been IPRC'd as "Gifted" in the OCDSB, you may still enter a transfer request. Should you be accepted, you will need to be IPRC'd as "Gifted" in the OCDSB. Call 613-596-8211 for further information.
